

## World Kindness Concert 2006 Group Ticket Sponsorship

The World Kindness Concert is an initiative of KindActs, a B.C. non-profit society, whose mission is to inspire human connection and activate the practice of kindness locally and globally.

The concert is an annual event that features talented artists from a variety of cultures and backgrounds. The 6th World Kindness Concert is being held at the Vancouver East Cultural Centre on October 23rd and 24th, 2006. The concert is a major fundraiser for the **Invest in a Kinder World Coin-spiracy program**. For more information please visit [www.investinakinderworld.com](http://www.investinakinderworld.com).

### The Coin-spiracy

*The Invest in a Kinder World™ “Coin-spiracy” is a campaign developed for schools and youth groups to raise awareness of how kind acts can create positive global change. In response to the escalating violence in our schools and terrorism in our world, KindActs, a BC-based non-profit Society, created this grassroots kindness program to engage our society, starting with our youth, in building relationships based on compassion, unity and respect, in order that we may realize our greater potential and thrive as a community.*
